website at http://www.benefits.va.gov/homeloans/docs/loan\_limits\_august\_2012.pdf a notice of change in the VA maximum guaranty limits for August 6, 2012 to December 31, 2012.

August 27, 2012

For you convenience, we have reprinted the text of this notice below:

## Maximum Guaranty Limits for August 6, 2012 to December 31, 2012

The Honoring America's Veterans and Caring for Camp Lejeune Families Act of 2012 has been signed into law. The Act includes a number of changes to the Department of Veterans Affairs' (VA) Loan Guaranty program, including reverting back to the previous method of calculating maximum guaranty. This resulted in some loan limits increasing. While VA does not have a maximum loan amount, the following county "limits" must be used to calculate VA's maximum guaranty amount for a particular county. These limits apply to all loans closed August 6, 2012 through December 31, 2012.

Calendar year 2013 county loan limits will be posted once VA receives median price data from the Federal Housing Finance Agency (FHFA). Typically this information is received in November of each year. Should the loan limit for a county decrease in 2013, VA will guarantee a loan using the previous higher limit if there is proof of a pre-approval based on a sales contract or URLA executed on or before December 31, 2012.

The maximum guaranty amount (available for loans over \$144,000) is 25 percent of the 2012 VA Limit shown below. Therefore, a veteran with full entitlement available may borrow up to the 2012 VA Limit shown below and VA will guarantee 25 percent of the loan amount. If a veteran has previously used entitlement that has not been restored, the maximum guaranty amount available to that veteran must be reduced accordingly. Lenders should check their own investor requirements regarding guaranty amounts and down payments.

## NOTE: For all counties other than those listed below, the limit is \$417,000.
